

WE LOVE SUPPORT FROM OUR BUSINESSES & SCHOOLS

STRONGER TOGETHER

Volunteering is a powerful thing for a person, but it's even stronger when we are able to do it together with our peers and coworkers. For decades your Food Bank has been blessed with a very engaged community of businesses and local schools who volunteer in large numbers to help us fulfill our mission.

MAKE IT YOUR OWN

The great thing about volunteering in a large group is that you can get creative. There are many schools and businesses who volunteer every year, sorting and packing food or cleaning the warehouse. We also have some who have created their own third - party solutions for bulk packaging food for distribution.

YOU MAKE A DIFFERENCE

The bottom line is that we can't do what we do without the support of our community partners. Every hour that every volunteer gives to the Food Bank adds up to millions of meals over the course of a year for the food insecure. Your efforts are felt on the front lines of hunger with every box that is distributed.

Volunteering is as easy as visiting us online at volunteer.brfoodbank.org. You can also explore volunteer options by giving us a call at (225) 359-9940. The Food Bank can provide each volunteer with a record of their service hours. These are used for fulfilling educational requirements, community service for minor offenses, demonstrating your active participation in our community and acknowledging your generosity.
