

GET OUTSIDE | VOLUNTEER IN OUR COMMUNITY GARDEN

WHAT IS THE GARDEN

The Vince Ferachi Community Garden's purpose is to provide fresh produce, harvested by Greater Baton Rouge Food Bank volunteers, to those in need in our community. The garden is operated in partnership with Capitol City Produce and all food harvested is distributed to our member agencies.

HOW IT ALL WORKS

Fall and summer crops are farmed by Capitol City Produce under the guidance of LSU and SU Agriculture departments and then harvested by Greater Baton Rouge Food Bank volunteers. The community garden also provides an environment for schools and universities to learn more about local farming.

COME GROW WITH US

The Vince Ferachi Community Garden gives our volunteers a very unique opportunity to work outside while cultivating and harvesting food for the needy. Whether planting new crops or gathering the fruits of your labor, you will have a chance to get your hands dirty while helping those in need.

Volunteering is as easy as visiting us online at volunteer.brfoodbank.org. You can also explore volunteer options by giving us a call at (225) 359-9940. The Food Bank can provide each volunteer with a record of their service hours. These are used for fulfilling educational requirements, community service for minor offenses, demonstrating your active participation in our community and acknowledging your generosity.
