

BACKPACK PROGRAM

The Greater Baton Rouge Food Bank has partnered with your child's school and will be running the Backpack Program.

The Backpack Program is a Food Bank program that provides backpacks filled with food that is child-friendly, nonperishable, and easily consumed. Backpacks are distributed to students every school week to take home for the weekend. This enables students to have a healthy meal for the weekend.

Questions? Contact our team at (225) 359-9940 or by email at ariane@brfoodbank.org or cole@brfoodbank.org

To enroll your child in the program, please fill out the permission form provided by your child's school.
